

EQUALITY & DIVERSITY MONITORING FORM

The purpose of this form is to gather additional information about the people who will benefit from your project. The information will only be used for monitoring purposes and will not be used to assess your application. If you have any queries about the questionnaire, please contact The Community Grants Team at the address or telephone number below.

It is important to show that everyone has equal access to your project; ensuring nobody receives less favourable treatment on any grounds. That includes: race, colour, nationality, ethnic or national origins, religion or belief, gender or gender identity, marital or civil partnership status, sexual orientation, disability, age, any other unjustifiable criteria or requirement. A policy should be created to state that your organisation is open and accessible to all. To see East Lindsey District Council's Equality and Diversity Policy please visit www.e-lindsey.gov.uk

All applicants for a Community Grant must have an Equality and Diversity Policy. If you do not have an Equality and Diversity Policy and are successful in receiving a grant it will be a condition that a policy is produced and submitted to the Council within 6 months of the date of your offer letter.

Please complete the form overleaf by placing a tick in the relevant boxes if your project is directed at or of particular relevance to people within the specific groups listed. Please return your completed form with your application form and other supporting information to:
