1.2 - The Master Plan presented the following recommendations/key findings – please indicate whether you agree or disagree with them:

	Strongly Disagree	Disagree	Agree	Strongly Agree	No view
▪ Facilities along the foreshore could be better organised and branded					
▪ Core foreshore markets are shrinking					
▪ There is potential to attract new year round markets					
▪ There is an opportunity to make better commercial use of some sites					
▪ There is a need to improve access and connectivity (inc. town centre links)					
▪ There is a need to make greater use of the beach					
▪ There is a need to improve the marketing of the area					
▪ The core visitor offer needs to be kept up to date and value for money high					

1.3 - How do you think zoning would impact on Skegness Residents/Visitors?

1.4 - How do you think zoning would impact on Skegness Businesses?

1.5 - Are existing facilities in the right location to deliver a modern, vibrant foreshore that is fit for the 21st Century?

1.6 - What are the best features of the foreshore?

1.7 - What (if anything) is out of date along the foreshore?

1.8 - Is there anything that could be relocated along the foreshore or moved elsewhere in Skegness (e.g. car parks, open spaces)?

1.9 - Where should any new development be located along the Foreshore? What type of facilities should be attracted to the foreshore?

1.10 - What design principles should guide any new development on the foreshore (modern, traditional, environmental, height restrictions)?

1.11 – How could the beach be used for either leisure or commercial purposes in the future?

1.12 - What improvements would you like to see to improve movement between the foreshore and town centre?

1.13 - How would you promote the foreshore in the future?
