

Application for a Licence Under the Dangerous Wild Animals Act 1976

- Application for Grant of Licence
 Application for Renewal of Licence

The keeping of certain species of wild animals is controlled by the Dangerous Wild Animals Act 1976. No person may keep any dangerous wild animal without first obtaining a licence from their local authority.

The 1976 Act is intended to ensure that dangerous wild animals are kept by private individuals only in circumstances which create no risk to the public on the grounds of safety, nuisance or otherwise.

Each licence application will be treated individually having regard to the conditions laid down in the Act and the particular circumstances of the case.

In many cases the Council may need to obtain advice from a veterinary practitioner or veterinary surgeon; a zoologist; the Police; the Fire Authority and any other competent organisations or individuals; and any expense incurred in so doing may be included in the licence application fee.

The applicant must be the person who intends to own and possess the wild animal(s).

When completing this application form you must give detailed information regarding the construction of any cages, safety barriers etc. In addition, you will be expected to demonstrate your proposed safety precautions to protect persons, including the keeper.

In the event of a licence being granted a number of conditions not mentioned in the application form may be included. These will cover such things as notification of movement of animals, disposal of dead animals, etc.

This application form must be completed in black ink in block letters and returned with the fee of £120.00 to the Licensing Team, East Lindsey District Council, Tedder Hall, Manby Park, Louth, Lincolnshire, LN11 8UP.
