This form has been designed to help people get informal advice about whether they are likely to need planning permission to carry out improvement works on their homes, or build extensions or outbuildings.

This is a discretionary service offered by the Council. In order that we can provide the service to a consistent and high standard the Council has decided that the cost of providing the service should partly be recovered directly and not fall as a general cost to the council tax payer. From 1 April 2019, there will be a charge of £80 payable with your enquiry. (Fee including VAT at 20%.) Without the fee your form will be returned.

Please complete this form and hand it in or send it to the Planning Department at the address shown on page 4. We will aim to reply to your enquiry within 15 working days.
