In September 2004 the Council removed the limit on vehicle numbers with the proviso that new licences (hackney carriage vehicle licence numbers 250 and above) would only be granted to purpose built wheelchair access/ disabled access vehicles. The relevant specification for these vehicles is shown at Appendix A of the above guidance booklet. All other hackney carriage vehicles (hackney carriage vehicle licence numbers 249 and below) are subject to the second specification shown at Appendix A of the booklet.

PLEASE NOTE

- You must conspicuously display the hackney carriage vehicle plate (issued by the Council) on the rear side of the vehicle. The plate must not be displayed in the rear window.
- The licence cannot be transferred to another vehicle. If you wish to change the vehicle, you must let us know and we will advise you what to do.
- If you transfer your interest in the vehicle to someone else you must tell us, in writing, within 14 days - it is an offence not to do so.

(13) Hackney Carriage Intended Use Policy

Applicants for vehicle licences will be expected to demonstrate a bona fide intention to ply for hire within the administrative area of East Lindsey District Council under the terms of the licence for which the application is being made. There will be a presumption that applicants who do not intend to a material extent to ply for hire within the administrative area of East Lindsey District Council will not be granted a hackney carriage licensing authorising them to do so.

With this in mind the Council makes the following policy statement:

"If you wish to be a hackney carriage proprietor we require information, pursuant to section 57 of the Local Government (Miscellaneous Provisions) Act 1976 as to whether you intend to use the vehicle in East Lindsey or outside of the District".

You will need to be able to show what proportion of your business you propose to carry out in East Lindsey and what business will be carried out elsewhere, including the geographical location.

If we have concerns that the hackney carriage is to be used primarily outside of this area then the decision on whether to licence you would need to be made by our General Licensing Committee (consisting of Councillors).

Each case will be decided on its merits.

This is in accordance with the decision in:

- R (App Newcastle City Council) v Berwick-upon-Tweed Borough Council [2008]

Further information on this policy is available from the Licensing Team.

 - I hereby declare that it is my intention that the vehicle licensed by me will be used predominantly in the District of East Lindsey and I understand that should this not be the case either at the date hereof or at any time thereafter the Council may revoke or refuse to renew the licence under Section 60(1)(c) of the Local Government (Miscellaneous Provisions) Act 1976.

Notes:

Equality Act 2010 - Designated List of Wheelchair Accessible Hackney Carriage Vehicles and Private Hire Vehicles (PHVs)

If the vehicle, subject of this licence application, is a wheelchair accessible vehicle then you must note the following.

This Authority publishes on its website a list of designated Wheelchair Accessible Taxis and Private Hire Vehicles (PHVs). The Council are proposing to place your wheelchair accessible vehicle on the Designated List. The current Designated List is available to view on the Council's website at:

www.e-lindsey.gov.uk/article/5462/Hire-Vehicles-Equality-Act-2010

We are proposing that the record for the vehicle will show the following details:

- Make and Model of Vehicle
- Vehicle Registration Number
- Licence Plate Number
- Name of the Operator
- Size and Weight of Wheelchair That Can be Accommodated Within the Vehicle: Reference Wheelchair

Once the wheelchair accessible vehicle is on the published list then under the Equality Act 2010 drivers of the vehicle will be liable for a fine if they:

- refuse to carry a wheelchair passenger in their wheelchair*,
- fail (unless they have an official exemption from the Local Authority) to provide assistance - such as deploying the ramp and helping to push the wheelchair passenger into the vehicle,
- charge extra for carrying a passenger who uses a wheelchair.

* Please note that it is a defence for a person charged with the offence, of refusing to carry a wheelchair, to show that at the time of the alleged offence:

- a) the vehicle conformed to the accessibility requirements which applied to it, but,
- b) it would not have been possible for the wheelchair to be carried safely in the vehicle.

This Council's current guidance leaflet, on the subject of transporting a wheelchair user, is available on the licensing area of the Council's website at:

www.e-lindsey.gov.uk/article/5462/Hire-Vehicles-Equality-Act-2010

Please ensure that this leaflet is brought to the attention of all drivers in your employ.

Where possible we will include information, on the list of vehicles, about whether wheelchairs that are larger than a "reference wheelchair" can be accommodated within a particular vehicle. However, we suspect that for a large number of wheelchair accessible vehicles we will be indicating that the vehicle cannot normally accommodate anything larger than a "reference wheelchair".

Wheelchair accessibility regulations for access to public transport use a specific "reference wheelchair". The reference wheelchair has:

- total length of 1200mm, including extra-long footplates
- total width of 700mm
- sitting height (from ground to top of head) of 1350mm
- height of footrest above floor of 150mm

If you disagree with the proposal to place your vehicle on the Designated List, please contact us by letter or email (licensing@e-lindsey.gov.uk) within 28 days of the date of this licence application. Please title your letter or email 'Designated List of WAVs - Taxis and PHVs'.

If you disagree with the proposal then we will not place your vehicle on the Designated List and instead will arrange a Licensing Committee hearing (consisting of Councillors) in order to consider your case and concerns.

If following the licensing hearing the Licensing Committee decide to place the vehicle on the Designated List, then once we have issued the formal notice, which will include the specific appeal rights, you may appeal to the Magistrates Court if you wish to do so.

Information on driver exemptions is available on the licensing area of the Council's website or by contacting the Council's Licensing Team. If you require any further licensing information or advice, please do not hesitate to contact the Licensing Team by email at: licensing@e-lindsey.gov.uk
