Annual Delivery Plan

April 2021 to March 2022

Introduction

In 2020 both Boston Borough Council and East Lindsey District Council agreed their Corporate Strategies setting out their priorities over the coming years.

This Annual Delivery Plan supports the implementation of these Strategies by identifying the key actions to be taken, when, by whom, and how success is defined.

The Plan reflects the individual priorities for each Council and recognises that the Councils work together as an alliance and operate through a single workforce.

Producing a single Delivery Plan highlights the breadth of working being undertaken by the workforce and provides for the identification of opportunities for joint working. Whilst the Councils retain their independence, through the alliance, and as demonstrated in this Plan, both organisations work together where it makes sense to do so to deliver improved outcomes for the communities they serve.

It should be remembered that in setting out this Plan, Councils have done so against the backdrop (and ongoing response to) Covid-19, which continues to place significant pressures on the services of both organisations. In addition, both Councils have supported the establishment and operation of community Covid testing arrangements and will no doubt be called upon to support roll out of the vaccine across the county.

Rob Barlow, Joint Chief Executive

Councils' priorities

1. People.
2. Future prosperity and growth.
3. Environmental awareness and accountability.
4. Delivering high quality services and maximising the use of technology to support residents.

1. Help enable a supply of homes that meet needs and aspirations.
2. Support our town centres to remain vital and viable as shopping habits change.
3. Adapt to meet the challenge of a changing natural environment.
4. Maximise healthy and active lives.
5. Improve equality of opportunity across the district and in target areas.
6. Be creative in generating income to the Council so that we can afford to continue delivering high quality services that make use of the latest technologies and focus on the needs and aspirations of residents
7. Create an environment that helps businesses to survive and grow.

Each of the Councils' corporate priorities are supported by specific objectives, which will be achieved through the implementation of this plan.

The detailed Corporate Strategy for each Council can be found at: Boston Borough Council –www.mybostonuk.com/our-plan-for-your-future/ and East Lindsey District Council – www.e-lindsey.gov.uk/corporatestrategy

Some of our accomplishments in 2020/21

Across the Alliance

- Both Councils have approved their Corporate Strategies setting out their priorities over the coming years.
- A Strategic Alliance has been formed between Boston Borough Council and East Lindsey District Council that will save £15.4m over 10 years and give both Councils greater resilience and capacity to deliver their Corporate Strategies.
- Both Councils have adopted an ambitious Workforce Development Strategy developed in consultation with colleagues at all levels in the organisation.
- Bid to Government under the Towns Fund has secured almost £75m in funding for Boston (£21.9m), Mablethorpe (£23.9m) and Skegness (£24.5m)
- Secured and received Accelerated Funding (an early tranche of Towns Fund) from Government to deliver a range of initiatives (identified below).
- Responded to the Covid-19 pandemic, supporting both residents and businesses through very tough times through a range of programmes and grant schemes. Also, through better use of technology we have supported many colleagues to work in new and innovative ways to ensure services can continue to be provided to communities.
- Merged Business Continuity and Emergency Plans across the Alliance to enable both Councils to better respond to emergencies facing their areas.
- Both Councils have rolled out a new Waste Fleet with major capital investments.

Boston Borough Council

- Central Park in Boston saw a £350,000 development completed in November 2020, including a Multi-Use Games Area with 5 a-side football and basketball markings, two outdoor table tennis tables, a skate park and a community garden.
- Secured Accelerated Funding for 3G Sports Pitch of £120,000.

- Digital, transport and logistics academy funding of £182,976 to support skills and employment.
- Explore and discover trails, a catalyst project received £80,000 of Accelerated Funding.
- Secured funding of £277,700 for Boston Townscape Heritage projects.
- Delivered a community mass testing programme to the Borough to reduce the Covid-19 infection rate.
- Achieved re-accreditation to ISO9001 customer service standard.
- Secured £495,000 for a Community Champions programme in the Borough that aims to reduce the risk and impact of Covid 19 in our communities and support community cohesion and integration.

East Lindsey District Council

- Secured £1.2m in external funding to support the development of a College in Horncastle with Public Services Hub.
- Pedestrianised part of Tower Esplanade, Skegness with £750,000 of Accelerated Funding from Government.
- Commenced the redevelopment of the Colonnade in Sutton on Sea with £500,000 of Accelerated Funding from Government.
- Consulted the community on a new £12m leisure and learning facility in Mablethorpe.
- All colleagues at ELDC who work from an office now operate from laptop computers and have moved onto Office 365, creating a more agile workforce.
- Commenced the replacement of Accolaid with a new case management system – the biggest ICT change since computers were first introduced to the Council.
- Successfully achieved strategic partner status with the national Centre for Better Ageing in partnership with LCC.

- Successfully secured £2.3m from the Department for Business, Energy and Industrial Strategy from the Green Homes Grant fund to enable energy efficiency improvements in homes to tackle fuel poverty and deliver carbon reduction objectives.
- Led the delivery of a countywide Covid 19 support service through the Wellbeing Lincs Service to support vulnerable and clinically extremely vulnerable residents across the county to shield safely and access the support they needed to do so

Delivery Plan 2021/22 – Boston Borough Council

AD	1	Strategic Priority – People				
	Ref	Action	Lead Member	Deadline	Measure(s) of success	Corporate Strategy – We Will
HWB	1.1	A targeted programme of engagement with landlords and tenants of HMOs and with employers of those living in HMOs on housing, health and wellbeing messages via the Empowering Healthy Communities Programme.	Cllr Griggs	September 2021	Reduced evictions, improved understanding of tenancy rights and responsibilities among landlords and tenants. Increased communication mechanisms and targeted messaging on housing, health and wellbeing	Educate and enforce to improve the quality of rented properties in the Borough.
HWB	1.2	Deliver in partnership, additional short and long term accommodation options to support rough sleepers to exit the streets in a planned and sustainable way.	Cllr Griggs	September 2021	Minimum 10 units of additional long-term accommodation available to address and reduce rough sleeping in Boston over the next thirty years. Planned and effective short-term accommodation options. An improved housing pathway. Specific allocations policies in place and integrated with improved IT system.	Invest and support growth to meet local housing needs by co-funding affordable housing delivery.

HWB	1.3	Deliver the Empowering Healthy Communities programme to reduce the risk and impact of Covid 19 in our communities and support community cohesion and integration	Cllr Griggs	March 2022	Successful programme delivery, partners and community leaders engaged and working together, all projects commissioned and delivering in line with agreed outcomes, alignment with other key programmes including the Town Deal	A place where people want to live, a place where they can thrive in their local communities, feel safe, secure, healthy and welcome
HWB	1.4	Actively support Citizens Advice South Lincolnshire with awareness raising of the EU Settlement Scheme to ensure that residents impacted by this are aware of how to register to ensure they do not lose their rights	Cllr Griggs	July 2021	High levels of awareness amongst affected residents and sufficient options for people to register with the scheme. A real time understanding of how many people have registered. A clear understanding of the potential impacts and implications of non-registration (employment, housing, welfare, health services)	A place where people want to live, a place where they can thrive in their local communities, feel safe, secure, healthy and welcome

AD	2	Strategic Priority - Future prosperity and growth				
	Ref	Action	Lead Member	Deadline	Measure(s) of success	Corporate Strategy – We Will
HWB	2.1	Develop a joint, evidence-based health and wellbeing strategy for Boston and East Lindsey, ensuring that the economic value of health and wellbeing is understood and articulated.	Cllr Griggs	September 2021	Evidence based strategy with clear shared objectives and measures of success.	Make Boston a healthy and safe place to work. Use available evidence to inform the decisions we make about growth initiatives
AST	2.1	Support delivery of the PE21 project, including the delivery of the Leisure and Health hub and site assembly.	Cllr Welton	March 2022	Support delivery of the PE21 project, including the delivery of the Leisure and Health hub and site assembly.	Develop the bold investment plan and explore delivery models for the PE21 ambition. Provide affordable and accessible leisure opportunities for all.
EG (TF)	2.1	Support feasibility work to develop the Gateway to Growth project (Boston Port development) leading to the creation of jobs locally.	Cllr Welton	TBC	Improved infrastructure that delivers a more efficient logistics hub. Support local supply chains and job growth as an integrated business network partner. Nurture, lobby and support the potential growth opportunities across South East Lincolnshire, enabling greater influence for inward investment.	Further develop our relationship with the port to support its growth and increase international trade links. Ensure potential investors recognise Boston as a Borough open for investment. To continue to develop existing commercial and other arrangements to further promote Boston internationally.
EG	2.2	Deliver a Vital and Viable Programme and Destination Strategy for Boston that supports the town's economy.	Cllr Welton	August 2021	Towns Funding for Heritage Cluster. Coordinated place promotion to support online packages, increasing visitor numbers and spend.	Promote trade and tourism opportunities created by the multinational community of the area. Promote Boston as a visitor hub for the area.

						<p>Manage and enhance the heritage assets of Boston to increase tourism.</p> <p>Seek new opportunities to encourage visitors to Boston through culture, arts, events and sport.</p> <p>Increase the promotion of Boston as a visitor destination and improve its public spaces.</p>
PLN	2.1	Engage in the examination process for the Boston Alternative Energy Facility, which is a national infrastructure project.	<p>Cllr Welton</p> <p>Cllr Skinner</p> <p>Cllr Stevens</p>	Ongoing through 2021-22	Active engagement in NSIP process and representation of the Council's position to the Planning Inspectorate. This will represent a significant piece of investment into the area, creating employment opportunities in a range of sectors.	<p>Ensure potential investors recognise Boston as a Borough open for investment.</p> <p>Promote and facilitate inward investment by working with strategic partners to make Boston a location of choice</p>

AD	3	Environmental awareness and accountability				
	Ref	Action	Lead Member	Deadline	Measure(s) of success	Corporate Strategy – We Will
OPS	3.1	To deliver a twin stream recycling collection service to all households across the borough.	Cllr Stevens	May 2021	Increase in recycling rate. All households receiving the service. Reduction in collection of non-target recycling materials	Work with partners to encourage the community to produce less waste and recycle more.
REG	3.1	Produce a Carbon Reduction Plan for Boston to take the Council to net zero carbon by	Cllr Skinner	September 2021	Baseline carbon emissions reduce by the forecast trajectory each year to move us to net zero by 2040. Expectation is that new	Develop a Carbon Reduction Plan for the Council to achieve the target agreed.

		2040; including a clear programme of actions.			technologies and efficiencies will reduce running costs for the council. Delivery on action plan.	
REG	3.2	Development of an overarching Climate Change Strategy for the Alliance.	Cllr Skinner	June 2021	Strategy produced and approved by Cabinet.	Be climate aware and spearhead the change in thinking about the impact that our actions have, not only on the local environment here in Boston, but also on the entire planet.
REG	3.3	Establishment of a Climate Change Assembly for Boston.	Cllr Skinner	May 2021	Inaugural meeting delivered. Number of meetings held. Number of delegates attending. Number of community groups engaged. Allowing the community to engage and encourage businesses and residents to reduce climate impacts.	
REG	3.4	Deliver a Carbon Literacy training programme for all employees of the Alliance and Councillors.	Cllr Skinner	March 2022	Percentage of staff eligible that have successfully completed the training. Staff and members trained as carbon literate by completing a short training course on carbon impacts and climate change.	Develop a Carbon Reduction Plan for the Council to achieve the target agreed. Ensure that every service and policy deliver on the climate change commitments of the Council to support positive environmental impact on the Borough.

AD	4	Delivering high quality services and maximising the use of technology to support residents.				
	Ref	Action	Lead Member/Officer	Deadline	Measure(s) of success	Corporate Strategy – We Will
OCS	4.1	Delivery of the LCC and PCC elections	Michelle Sacks	May 2021	The election having taken place successfully as it is a legal	

					requirement to maintain democratic procedures for the residents.	
SSP/ OCS	4.6	Implement £634k ICT infrastructure investment and transfer of services to PSPS.	Cllr Skinner	March 2022	No drop in performance. Deadlines associated with the transition achieved. Transformation programme achieved. Improved connectivity across the Alliance.	Make better use of technology and data to reduce costs and improve performance and efficiency.
PLN/ OCS	4.1	Review ICT system used to provide the planning service to seek opportunities for alignment/efficiency savings.	Cllr Welton	Contract end 2022.	Decision made to renew or procure new system. To achieve savings for a more cost-effective service and better alignment between the Strategic Alliance partners. Possibility to improve access to information for members of the public.	Make better use of technology and data to reduce costs and improve performance and efficiency.
HWB	4.1	Implement an integrated housing register and homelessness IT system as part of a shared service approach across the alliance.	Cllr Griggs	June 2021	Integrated system procured and implemented. A single housing allocations policy for the alliance. Improved customer journey and experience. Improved efficiency. Improved robustness and integration of systems. Improved reporting capabilities. Improved oversight and accountability. An example of a shared service model for the alliance area leading to value for money.	Make better use of technology and data to reduce costs and improve performance and efficiency.

Delivery Plan 2021/22 – East Lindsey District Council

AD	1	Help enable a supply of homes that meet needs and aspirations					
	Ref	Action	Lead Member	Deadline	Measure(s) of success	Corporate Strategy – We Will	
EG (TF)	1.1	Skegness Gateway – Phase One. Facilitate the development of a new FE Learning Campus in partnership with TEC Partnership. Facilitate highway access from A52 to open up the development potential of adjacent land.	Cllr Leyland	TBA	Towns Fund secured for Learning Campus and contribution to new roundabout off A52. New Learning Campus developed. Curriculum developed and delivered by TEC Partnership to support local learners and businesses.	Increase access to Higher and Further Education opportunities in the District. Support an increased supply of serviced employment land, providing new commercial investment and increased employment opportunities.

The region becomes more attractive for tourism and spend in the local economy.	Improve equality of opportunity across the district and in target areas. Create an environment that helps businesses to survive and grow.

Delivery and Monitoring the Plan

Delivery of the Corporate Strategies for both Councils is monitored through an assessment of progress against actions and performance indicators to allow councillors to scrutinise and oversee progress. This is reported to the Councils' scrutiny committees and Cabinet/Executive each quarter.

The Councils publish all of the information about their performance on their respective website www.boston.gov.uk and www.e-lindsey.gov.uk
