

Dear Sir/Madam

Thank you for the opportunity to review the proposed plan. On behalf of the local NHS we welcome the plan and the details within. We are proud to have a representative on the Skegness Towns Fund Board (Connected Coast)

We recognise the opportunities and huge challenges that there are in Skegness and the surrounding area in terms of health inequalities. We are actively working with local partners to improve the health and wellbeing of residents. The wider determinants of health and wellbeing have a significant impact on local residents and these challenges are significant in Skegness.

We are working alongside ELDC and other partners to support a wide range of initiatives including those within the Town Investment Plan.

We look forward to continuing to work with colleagues on this. I would be happy to have further conversations regarding the links between health and the Neighbourhood Plan.

Yours faithfully

Jacqui Bunce
