When contacting the Case Officer, it would be helpful if you could confirm whether you want to take an active part in the discussions or anticipate attending just as an observer (see the below).

**Hearing Attendance Information**

Before deciding whether to take an active part in the Hearing, you need to think carefully about the points you wish to make. All written submissions from application and appeal stage will be taken into account by the Inspector and re-stating the same points won't add any additional weight to them.

If you feel taking part in the Hearing is right for you in whatever capacity, you can participate in a number of ways:

If you wish to observe the event, you should make that clear in your response to the Case Officer.

If you wish to take an active part in the proceedings, please make it clear in your response to the particular topic areas you are interested.

If you want to take an active part but feel unable to for any reason, and/or the points you want to make are not covered in the evidence of others, consider whether someone else could raise them on your behalf.
