Hi Andrew,

Thank you for keeping me in the loop regarding this application.

The current agreed extension of time ends on Friday. We have not yet received a decision from the Secretary of State so we will need to agree another extension of time. I will suggest another four weeks for now but obviously if we hear from them before this time we will be able to issue the decision (if the application is not called in).

Another four weeks would take us to 5th May. I would be grateful if you could confirm if you agree to this as soon as possible.

Thank you.
Kind regards,
Jane

You don't often get email from andrew.dowell@thirdrevolutionprojects.co.uk. [Learn why this is important](#)

Dear Christopher,

Please find attached letter in respect of our clients proposed solar development (East Lindsey DC Ref: S/079/01078/22) at land adjacent to Sotby Woods, Sturton Road, Hatton (Your Ref: PCU/RTI/D2510/3303494). The purpose of this letter is to respectfully request that Secretary of State intervention is not required in this instance and ELDC should be allowed to determine the application in line with Officer and committee members' recommendations. The applicant's reasoning for this request is set out in this letter.

We trust the information in the attached is clear for your purposes. If in the meantime you require any further information, please do not hesitate to contact me. Otherwise, we would welcome your confirmation that intervention is not required so that the scheme can come to fruition as early as possible.

Best wishes,
Andrew
