Hi Jane,

We confirm, albeit reluctantly, our agreement to an extension of time to allow for the issue of the decision. This agreement is given on the understanding that the final administrative details will be completed, and the decision will be issued by end of today.

Best wishes,
Andrew

Subject: RE: Hatton solar decision

Dear Rob,

Further to your discussion with Andy Booth last Friday, I am emailing you as it would really be

appreciated, from an officer point of view, if you could agree to a short extension of time until tomorrow. We just have a final admin procedure to complete and we can then issue the decision as swiftly as possible. I appreciate the decision is not what your client wanted, but officers have spent a significant amount of time on this application over the past few months so a small extension of time would really be appreciated.

I look forward to hearing from you.

Kind regards,

Jane
