Jane

I'm sorry that that happened. Feelings were certainly running high.
Please do keep us informed as you learn more about the Secretary of State. The extension to 7 April is agreed.
Enjoy your break.

Hi Rob,

Thank you for your email. I can understand you not hanging around after the committee. I had "shame on you" shouted at me when I left the building.
I have informed the government office for the Secretary of State that the committee resolved to approve the application. I am not sure on the process from here as I have not had to deal with it before but I have asked them to provide me with details. I will let you know when I hear from them. As far as I am aware, the Secretary of State will now look at the details and decide whether he wants to call the application in to determine himself or not. If he doesn't, the Council can issue the approval.
I am not sure how long the process will last but I would be grateful if you could confirm that you agree to another extension of time please. For now I will suggest four weeks which would take us to 7th April and we should have a better idea of timescales by then.
I hope the above is of use. Please note that I will now be on annual leave until 21st March.

Kind regards,

Jane

Hi Jane

I just wanted to say thank you for your support on this application and for you and your team's

presentation to the committee earlier - it really is appreciated. It was certainly a challenging one and we

didn't feel it was appropriate to hang around afterwards, but we are very pleased that they were minded to approve.

Are you able to elaborate on the process from here, i.e. when you will be notifying the Department and

whether you have any indication of timescales from here?

Happy to chat on the phone if that's easier.

Best wishes

Rob
